

# The Last Supper

# Colored by:

on

**Hey Parents! This week we began our Easter series where your child learned about Jesus' last supper with His disciples. They broke bread and drank wine as a way to remember Jesus – a practice called communion we still use today! Take some time this week to review these questions with your child, encouraging them to remember who Jesus is and what He has done for them.**

- 1. What happened at the Last Supper?**
- 2. Why was that important?**
- 3. Why should we remember Jesus?**
