

Hey parents! Use these questions as a guide to talk over this week's Bible story, **Parable of the Three Servants**, with your child after they've watched this week's Church at Home early childhood video. Remember that we were *made to serve God and his people!*

1. What was your favorite part of the video we just watched?
2. God made you with a purpose. What special purpose did we learn about today that God made us for?
He made us to serve him!
3. What does it mean to serve the way God wants us to?
Serving means sharing God's love with others with the things we have, the words we say, and the things we do, just like Jesus. God gave us so much and he wants us to give to other people.
4. Who told the story we learned about in today's Bible story called the *Parable of the Three Servants*?
Jesus!
5. *Bestos and Jerry* taught us about our purpose to serve. What are some ways we can serve?
We can serve by helping make food and snacks, helping a sibling clean up a mess they made, sharing our toys with another kid who doesn't have any, giving food to a food pantry or someone who is hungry, praying for people, and so much more.
6. Pray with your child about the things you learned together today! You might pray something like this: *Dear God, thank you for loving me and making me for a special purpose. I want to serve people so they can have what they need and know that you love them. Help me to serve and to know what to do to help someone this week! Amen.*
