

## SHARE JESUS

Use this craft to remember one of the purposes God made us for: to share Jesus. Your child will create this cross picture to hang somewhere for people to see or give to someone they know as a way to share about Jesus with others. It will help them share God's love and put this purpose into action!

## DIRECTIONS

### PREP

1. Print out the Share Jesus printable.  
Option: Create your own design using the printable as a guide.

### DO

1. Give your child the Share Jesus printable.
2. Allow them to color the picture of the cross.
3. Ask your child who the cross reminds them of and why.
4. Help your child cut out the picture of the cross.
5. Help your child tape their picture in a window that faces outside so people see it, or help them think of someone they can give it to as a way they can share Jesus with others!
